

WCRA Driver Agreement 2026

Keeping these events going is our shared responsibility! WCRA tech checks cannot guarantee detection of all issues. As a registered driver, I understand and agree that at every WCRA event:

1. It is my responsibility to ensure my **vehicle, equipment and clothing** comply with NHRA safety rules for the speed and elapsed time I drive.
2. I must have a **valid driver's licence** (not a learner's) and I will provide it to a WCRA track official if I am asked to do so.
3. It is my responsibility to be able to produce proof I have completed the **online SpeedWaiver** for insurance purposes, either on my cell phone or a printed copy.

4. **The tech limit I initial on my tech sheet at each WCRA event shows the fastest ET I am allowed to run at for this event.** I know the **WCRA volunteers monitor all runs for tech limit violations**, in keeping with their responsibilities to maintain event insurance and keep everyone at the track as safe as possible. **Running too fast for tech after a warning or on my last run of the event will result in a permanent ban from this track.** If my ET is close to putting me in violation of the tech limit I have agreed to by initialling at each event, it is **my** responsibility to upgrade/correct the deficiency, prove this to a WCRA tech volunteer, and re-initial my adjusted tech sheet. **If my timeslip shows a faster ET than I agreed to, it is my responsibility to correct the deficiency and notify WCRA registration for re-tech BEFORE MAKING ANOTHER RUN.** (Come talk to us! We are here to help.)

5. I will ensure any **passenger** (Saturdays only, Sportsman only) is 16 or older, has **registered with WCRA as a passenger for this event** with proof of **SpeedWaiver**, and wears a **helmet**. I agree to keep my speed **slower than an ET of 8.76**.
6. It is my responsibility to **be in staging within 5 minutes of final call** for my class for Test & Tune and elimination rounds, and to **attend the Driver's Meeting**.
7. Lack of respect for the WCRA rules and volunteers, whether through my own actions or those of a member of my team/crew, may result in a temporary or permanent ban from WCRA events. The WCRA will use the **cell phone number provided on my SpeedWaiver** application to contact me about any violations.
